

**We are a global group of patients and caregivers living with ROS1+ cancer.
We seek to improve outcomes for all ROS1+ cancers
through community, education, and research.**

The ROS1ders, Inc. is a volunteer-run, nonprofit US corporation with 1000+ members in over 30 countries.

COMMUNITY

- Private Facebook group for patients and caregivers to navigate patient care and share research and treatment updates—to join, complete form at tinyurl.com/joinROS1ders, and ask to join at facebook.com/groups/ROS1cancer/
- Online Zoom MeetUps to share experiences and knowledge
- In-person MeetUps (coming soon)

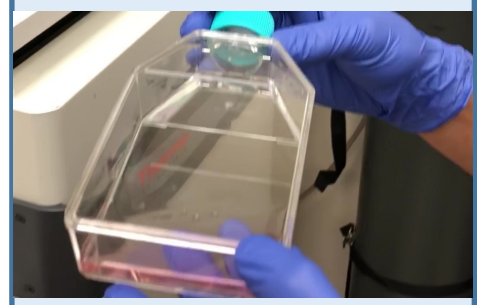

EDUCATION

- [Theros1ders.org](http://theros1ders.org) website shares evidence-based information on ROS1+ cancer, treatments, experts for second opinions, clinical trials, and more
- Social media posts with news about ROS1+ cancer
- Newsletter highlights progress and patient & caregiver tips
- Webinars and conference presentations

RESEARCH

- Donate patient tumor specimens to accelerate study of ROS1+ cancer biology and treatment
- Pursue real world data collection
- Host gatherings of ROS1+ experts to sustain and promote research
- Collaborate with key players to improve patient care and access to clinical trials
- Fund seed grants to attract new research for ROS1+ cancer
